**Directions:** Using the text, fill out the table and accompanying questions to the best of your ability. Answer the following in **your own words**, in **complete sentences**, and **restate the question in your answer**. For example, in answer to question 1, your response could begin: "The main differences between the Titans and . . ." When you use text evidence, you must include a citation (Author Last Name page number) → (Hamilton 87).

1. What are the main differences between the Titans and the Olympians?

2. List **nine** of Titan gods/goddesses mentioned in this chapter.

3. What led to the fall of Cronus?

4. Describe Olympus using text evidence from Chapter 1.

5. Complete the chart below about the different Olympians. Use *Mythology* to do this, not the internet.
