

PLOT

○ Plot: the sequence of events

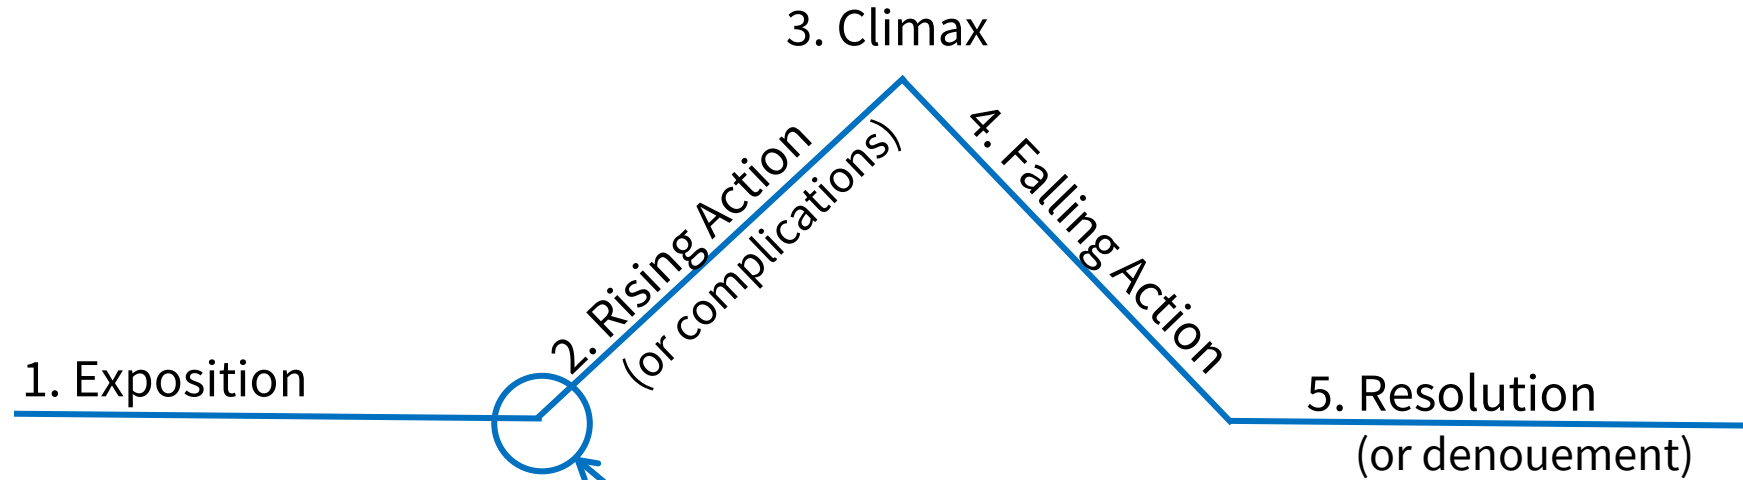

Main conflict

- There may be many conflicts
- The main one drives the story as a whole
- Is active through MOST of the story
- It is not a single event

○ Climax: What are some definitions you've learned?

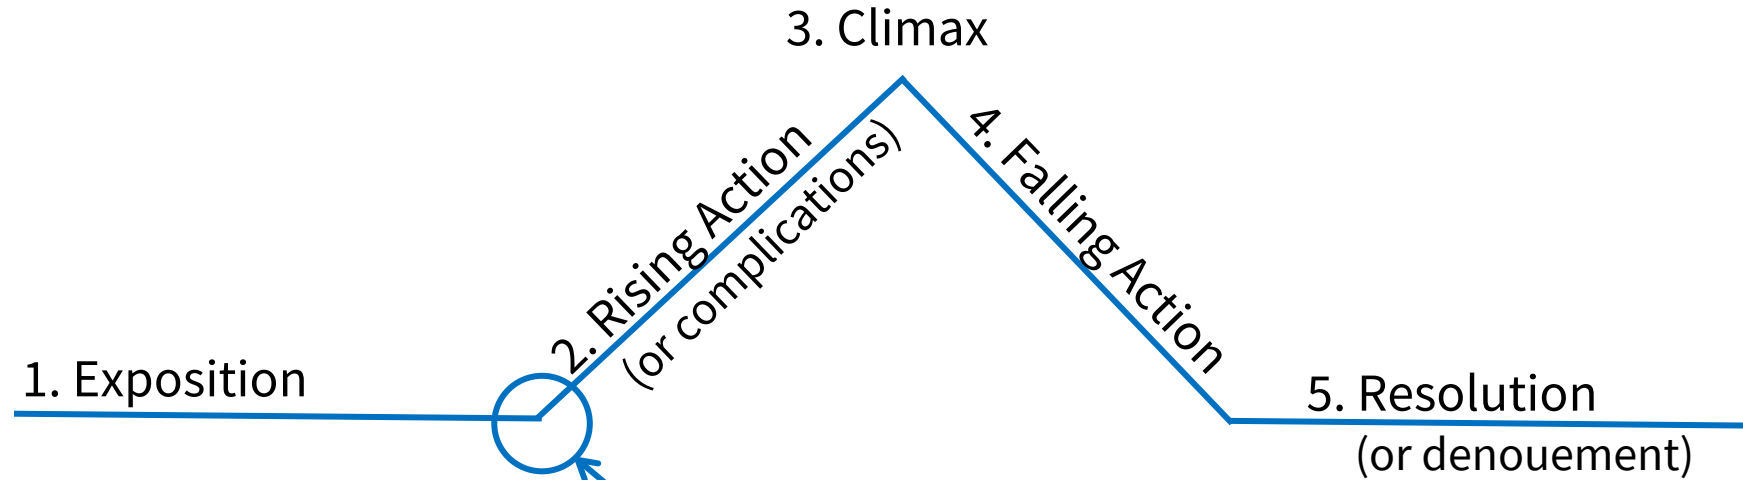

Main conflict

- There may be many conflicts
- The main one drives the story as a whole
- Is active through MOST of the story
- It is not a single event

- Climax: The moment that determines the outcome of the MAIN conflict

Main conflict

- There may be many conflicts
- The main one drives the story as a whole
- Is active through MOST of the story
- It is not a single event
